

COTTONWOOD HEIGHTS HISTORIC COMMITTEE MEETING HELD AUGUST 10, 2016, AT 6:00 P.M.

MEMBERS PRESENT: Carol Woodside, Gayle Conger, Sylvia Orton, Joyce Wilson,
Jerri Harwell (on Phone)

MEMBERS EXCUSED: Max Evans

MEMBERS NOT PRESENT: Don Antczak, Bev Lund, Gene Whiting

OTHERS PRESENT: Mike Peterson, City Councilman

Max Evans asked to be excused tonight and so Gayle Conger conducted the meeting . She asked Councilman Mike Peterson to report on information from the City Council.

Councilman Peterson reported that the celebration of the dedication of the City Hall would be September 29, 2016. He mentioned that he and Gayle Conger were on the committee selected to plan the event.

A bronze statue of a bobcat has been made and mounted on a rock which stands inside of the new Butler Elementary School with the notation: "Butler School established 1877."

All of the equipment for the new Public Works Department has been purchased as well as most of the employees being hired and is ready to roll on November 1, 2016. The new department will handle all snow removal and road repair. Land has been purchased for its business location at about 3100 East and 6700 South.

Our new board member, Joyce Wilson, was introduced to the committee and she asked if there is land purchased for a museum. Councilman Peterson said none has been but there is land available on the southwest corner of the City Hall which may be used for one. Ms. Wilson mentioned that she was a past director for the Sandy Museum.

Gayle Conger reported that she has the completed copy of the RLS and needs to have copies made of the disk. Dan Metcalf volunteered to make the copies and they will be dispensed to the appropriate places.

Ms. Conger mentioned that there is another meeting to be held at the City Hall location on August 17th and she will measure and take photos of the space for our display during the open house. She asked the councilman to check with the police department and see if they wanted their portion of the display included with the rest of the city or placed in their side of the building. Councilman Peterson will check on this.

Joyce Wilson was once again welcomed to the committee and was asked to help with the display at the Union Cemetery.

The get-to-gather with the Mayor and City Council will be October 12, 2016. Our meeting that night will be held at the Union Pioneer Cemetery. Hot chocolate and donuts will be served. Assignments will be made later on this event.

The display this year at Butlerville Days was a success thanks to the many hands involved. Plans now need to begin now for the 2017 BVD display. We need to start now in pulling together the photos and information needed.

In January we are eligible to apply for another grant and work needs to begin on that process.

Ms. Conger passed out copies of the city ordinance and asked the committee to look it over and come to the next meeting with ideas and changes to be made.

Melinda Hortin was approached by the Cottonwood Heights Magazine. They asked if we would be interested in helping out with an article on recreation in Cottonwood Heights. After some discussion the committee decided that they did not have the older photos the magazine wanted covering recreation, however, they wanted Ms. Hortin to suggest an article on the Union Pioneer Cemetery on Creek Road.

Meeting was adjourned at 6:45 P.M. the next meeting will be September 14, 2016.
